Re: Notice of Material Change (Case No. 02-1757-GA-CRS)

To Whom It May Concern

The purpose of this filing is to advise the Public Utilities Commission of Ohio (“Commission”) regarding two changes to Dominion Energy Solutions, Inc. (“DES”).

First, please be advised that DES has been converted to a limited liability company.

Second, on December 1, 2021, Interstate Gas Supply, Inc. (“IGS”) effectively acquired an 80% interest in DES. As a result, Dominion Energy will effectively retain ownership of a 20% interest in DES. IGS and DES will continue to be operated as independent and distinct legal entities. There will be no change to the service provided to customers nor will any aspect of the operation of DES materially change as an immediate result of the change in ownership.

Sincerely,

/s/ Joseph E. Olikier
