Re: *The East Ohio Gas Company d/b/a Dominion Energy Ohio*, Case No. 19-468-GA-ALT

Dear Ms. McNeal:

In accordance with R.C. 4929.07(A)(1) and Ohio Adm.Code Rule 4901:1-19-08(A)(1), The East Ohio Gas Company d/b/a Dominion Energy Ohio (DEO) hereby files this notice of intention to implement the alternative rate plan for its Capital Expenditure Program (CEP) Rider, as modified by the Commission in its February 23, 2022 Second Entry on Rehearing (the Entry) in this proceeding.

In the Entry, the Commission modified the August 31, 2020 Stipulation and Recommendation (the Stipulation) to require DEO to file its next base rate case application by October 2023. Entry ¶ 33. This modification accelerates the filing of DEO's base rate application one year earlier than what the Stipulation had provided and what the Commission had previously approved, in its December 30, 2020 Opinion and Order in this proceeding.

Although DEO does not believe that modification of the Stipulation was necessary under the evidence or Ohio law, DEO accepts the modification and does not intend to file an application for rehearing concerning the Entry. In the event additional applications for rehearing are filed by other parties, DEO reserves all rights to oppose such applications on any and all grounds, and DEO does not waive any rights under R.C. 4929.07 regarding any future entries.

Since the Entry's findings did not revise DEO's rate schedules, no such schedules are included herein, but DEO incorporates by reference the schedules filed in this docket on January 5, 2021, and in Case No. 21-619-GA-RDR on March 4, 2022. Please note that a copy of this correspondence will be filed electronically in the above-captioned docket.

Respectfully submitted,

/s/ Christopher T. Kennedy
