To whom it may concern,

Please accept this letter as notification that Page Plus Incorporated is no longer providing paging or any other form of telecommunications in the U.S. as of November 30, 2021.

Over the years, Page Plus Incorporated lost the majority of our customers to cellular messaging. A few months ago, we notified our few remaining customers we would cease operations on November 30, 2021.

Page Plus Incorporated was honored to provide paging services to our community for nearly 27 years.

Thank you PUCO for your guidance through the years.
