Re: Notice of Material Change (Case No. 02-1757-GA-CRS)

To Whom It May Concern:

The purpose of this filing is to advise the Public Utilities Commission of Ohio (“Commission”) regarding a change to Dominion Energy Solutions, LLC. (“DES”).

DES previously identified that, on December 1, 2021, Interstate Gas Supply, Inc. (“IGS”) effectively acquired an 80% interest in DES. On December 31, 2021, IGS effectively acquired an additional 5% interest in DES. On March 31, 2022, IGS acquired an additional 15% ownership interest in DES. As a result, Dominion Energy no longer retains an ownership interest in DES. DES and IGS will continue to be operated as independent and distinct legal entities.

On November 9, 2020, DES previously reported its intent to transfer its “residential, small commercial and government aggregation customer contracts . . .” to IGS. DES has since transferred its remaining commercial and industrial customer contracts to IGS. There was no change to the service provided to customers. As a result of this transfer, DES no longer serves customers in Ohio.

Sincerely,

/s/ Joseph E. Olikier
