MOTION FOR CONFIDENTIAL TREATMENT

Marketing Systems Group, LLC ("MSG" or "IION" – 2301503) hereby requests the Public Utilities Commission of Ohio ("Commission") to enter an order pursuant to 4901-1-24 of the Ohio Administrative Code to protect certain confidential and proprietary data and information of MSG that has been included with MSG Certification Application for Aggregators/Power Brokers. Specifically, MSG requests that the Commission treat Exhibits C-3 and C-5 as confidential and proprietary.

Section 4901-1-24 of the Ohio Administrative Code exempts from public disclosure "trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested." The confidential financial information of MSG clearly falls within this exception.

WHEREFORE, MSG respectfully requests that the Commission enter an Order, without hearing, protecting the confidentiality of MSG information in MSG Certification Application for Retail Generation Suppliers, Power Marketers, and Power Brokers, and that such information be kept under seal as "Confidential" and not be made a part of the public record, and not be published or posted on the websites of the Public Utilities Commission of Ohio.

DATED this 23th day of June, 2022.

Respectfully submitted,
Marketing Systems Group, LLC
