

Memo

To: Docketing Division

From: Thomas Persinger, Rail Project Specialist, Rail Division

Cc: PUCO Legal Department

Date: 7-28-2022

Re: PUCO Case No. 18-292-RR-FED In the Matter of a Request for Upgrades to the Active Warning Devices at Eight CSX Transportation, Inc. Crossings, in Marion County, Ohio.

On January 2, 2018, the Ohio Rail Development Commission (ORDC) authorized construction for CSX Transportation, Inc. (CSX) to install active warning devices at the following locations:

Street	DOT#	County	Project
Main St./SR 4	518421W	Marion	Lights and Gates
Main St./SR 4	262079Y	Marion	Lights and Gates
Prospect Street South	518419V	Marion	Lights and Gates
Prospect Street North	262080T	Marion	Lights and Gates
N. State Street	518422D	Marion	Lights and Gates
N. State Street	262076D	Marion	Lights and Gates
Oak Street	518417G	Marion	Lights and Gates
Oak Street	262083N	Marion	Lights and Gates

On April 4, 2018, the Commission issued a Finding and Order approving the project and ordering completion by April 4, 2019. On March 25, 2019, CSX filed an extension request due to a needed project redesign due to a narrow right of way. On May 1, 2019, the Commission approved this request holding a new completion date in abeyance and requiring CSX to notify Commission within 60 days of redesign approval.

The crossing project has been completed and is in-service as follows:

Street	DOT#	County	Date of Completion
Main St./SR 4	518421W	Marion	2-18-2020
Main St./SR 4	262079Y	Marion	9-5-2019
Prospect Street South	518419V	Marion	1-15-2020
Prospect Street North	262080T	Marion	10-8-2019
N. State Street	518422D	Marion	12-15-2019
N. State Street	262076D	Marion	10-29-2019

Oak Street
