### A-13. Company history

We are a national recognized energy consulting firm that has been in business since 2012. We have been licensed in Ohio as a power broker and electric aggregator since October 2, 2012. Our primary business interests include energy procurement, solar development, energy efficiency projects, Utility Bill Audits, and demand response services. This application is our renewal application with Ohio.

#### **A-14. Secretary of State**

Secretary of State Link:

## **Section B: Applicant Managerial Capability and Experience**

### **B-1. Jurisdiction of operations**

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

### **B-2. Experience and plans**

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: We are a nationally recognized energy consulting firm that has been in business since 2012. We also have been licensed in Ohio as a power broker/ electric aggregator since October 2012. This application is our renewal application with Ohio. Since our beginnings, we have grown to a firm that operates in almost 80 utility services areas across the country, and manages over 20,000 customer meters on a monthly basis. Our total customer load is almost 1 billion KWH annually. Our plan for contracting customers includes but not limited to mass marketing via mailers, digital marketing (SEO, social media), and email blasts. We also plan to grow organically by developing relationships with new customers. All our billings statements will be provided by the suppliers that we contract the customers with. We will also assist the suppliers in handling any customer inquires that may arise.

### **B-3. Disclosure of liabilities and investigations**

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: We have nothing to report for this section.

**B-4. Disclosure of consumer protection violations**

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

**No**

**B-5. Disclosure of certification, denial, curtailment, suspension or revocation**

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

**No**

## Section C: Applicant Financial Capability and Experience

**C-1. Financial reporting**

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

**C-2. Financial statements**

## Public Utilities Commission

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

File(s) attached

### **C-3. Forecasted financial statements**

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

File(s) attached

### **C-4. Credit rating**

## Public Utilities Commission

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

### C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

### C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

### C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

### **C-8. Corporate structure**

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

## **Section D: Applicant Technical Capacity**

### **D-1. Operations**

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: We have a team of energy advisors that sell and manage residential, commercial, and industrial clients. Our back office includes a pricing analyst and accountant that is responsible for the day to day needs of running our business. In regards to our energy procurement service, we will be strictly acting as a broker for electricity procurement contracts and we not be taking title to the power. From time to time we do aggregate the purchasing power of customers and send 1 RFQ to suppliers to bid on. In the end, the suppliers will be contracting with each legal entity name separately. In all cases, the suppliers will be responsible for arranging for the delivery of the electricity supply to our customers.

### **D-2. Operations Expertise & Key Technical Personnel**

## Public Utilities Commission

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: We are a nationally recognized energy consulting firm that has been in business since 2012. We also have been licensed in Ohio as a power broker/ electric aggregator since October 2012. This application is our renewal application with Ohio.
