MICHAEL GIERY	mgieri@novo-cg.com	Managing Director	243 Main Street BUZZARDS BAY, MA 02532 US
John Maguire	jmaguire@novo-cg.com	CEO	243 Main St # 2 BUZZARDS BAY, MA 02532 US

A-13. Company history

Novo Energy Services LLC 'NES' was formed in July 2018 by Brad Quester and John Maguire to solve client needs – Promoting expertise, transparency, and innovation. NES's executive team has more than 30 years of experience in the energy industry: We have developed electricity and gas trading platforms, built trusted companies, and helped clients find best-fit renewable solutions.

NES was established to bring our team's trusted relationships to the forefront of the advisory space. We solve our client's needs by leveraging product and thought-leadership from the nation's largest energy suppliers, most-established development groups, and cutting edge cleantech providers. On January 1, 2020, Attorney Mike Giery joined Novo as General Counsel and Director of Operations. Mike has practice exclusively in the Energy Markets since 2008.

Public Utilities Commission

During the Covid Crisis of 2020, NES closed their NYC office and relocated all administrative operations to Buzzards Bay Massachusetts. NES maintains small sales offices in Houston TX, Augusta ME. and Brooklyn NY.

A-14. Secretary of State

Secretary of State Link:

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

Jurisdiction of Operation: MA,ME,NH,RI,CT,NT,NJ,OH,PA,DE,IL,OH,TX

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: MICHAEL B. GIERY – Managing Director GENERAL COUNSEL

Michael has an extensive business history encompassing both management and ownership experience. He worked as a public servant for both the City of Boston and the Commonwealth of Massachusetts in many roles that encompassed both law enforcement and social services. Michael was also a member of The Massachusetts Committee for Public Counsel Services specializing in the legal representation of indigent clients. Prior to joining Glacial Energy, Michael worked as an attorney specializing in network development and regulatory matters for many major telecommunication companies. He has an undergraduate degree from Johnson & Wales University and a Law Degree from Massachusetts School of Law. Serving as General Counsel for Glacial Energy from Aug 2008 until Jan 2014, Michael has extensive regulatory and operational knowledge of the de-regulated energy industry. Michael has worked exclusively in the deregulated electricity industry from Aug 2008 until today.

Aug 2008 to Dec 2009: Glacial Energy – Senior Corporate Counsel

Jan 1, 2010 Jan 2013 Glacial Energy -General Counsel

Apr 2014 – Dec 2019 -Energy Auction House-General Counsel

Jan 2020- Present Novo Energy Services-General Counsel

JOHN P. MAGUIRE- FOUNDER/CEO

John Maguire is the Founder and CEO at Novo Consulting, LLC. Prior to founding Novo, John was the New York Football Giants' Senior Vice President of Corporate Partnerships. John has provided consulting, training and development for the New England Patriots, the Boston Red Sox, the Charlotte Bobcats, the Miami Dolphins, the Houston Texans, the Chicago Bears, CBS, Disney Radio, The Sporting News Network, and Beasley Broadcasting among others. He began his sports career in 1989 as VP of the Red Sox Radio Network for American Radio Systems (ARS) in Boston, MA. In 1991, he was named VP/General Manager of Sports Radio WEEI and developed the content platform and network that became the number one rated revenue station in America from 1995 to present.

From 1998 to 2008, John and his partners used their prior radio experience to establish Triple an Entertainment LLC, a media entity that served as the owner-operator of 28 radio stations in the Midwest and Northeast. John earned his MS in Management and BA in Accounting at Bentley College. John teaches Revenue Strategies and Pricing for New York University's Sports Management Graduate School Program.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: I, Michael B Giery, affirmatively state that Novo Energy Services LLC has no existing, pending or past rulings, judgments, contingent liabilities, revocation of authority, regulatory investigations, or any other matter that could adversely impact Novo Energy Services LLC's financial or operational status or ability to provide the services it is seeking to be certified to provide.

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

File(s) attached

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio.**

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

File(s) attached

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity

Public Utilities Commission

seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

This does not apply.

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Formed in July 2018, Novo Energy Services LLC leverages an extensive network of relationships to manage the procurement of electricity and electricity-related services for its customers. With about 30 years of experience operating in the deregulated energy markets, Novo's management team brings a wealth of knowledge and expertise the procurement process and are well positioned to understand customers' needs and act in their best interests. In addition to providing procurement services, Novo Energy Services LLC will also provide post procurement issue resolution support for its customers as it relates to electricity and electricity related services.

Novo Energy Services assesses and understands customer needs and will best match the customer needs with the optimal supplier capabilities, including but not limited to the following:

Electricity supply energy products

Fixed, variable, index, block and index or any customized solution that a Customer may require

- Electricity-related energy products
 - Renewables
 - Demand response
 - o Asset-backed demand response
 - Energy efficiency

Novo believes in Face to Face Sales and does not utilize D2D or Telemarketing strategies.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: JOHN P. MAGUIRE- FOUNDER

Public Utilities Commission

John Maguire is the Founder and CEO at Novo Consulting, LLC. Prior to founding Novo, John was the New York Football Giants' Senior Vice President of Corporate Partnerships. John has provided consulting, training and development for the New England Patriots, the Boston Red Sox, the Charlotte Bobcats, the Miami Dolphins, the Houston Texans, the Chicago Bears, CBS, Disney Radio, The Sporting News Network, and Beasley Broadcasting among others. He began his sports career in 1989 as VP of the Red Sox Radio Network for American Radio Systems (ARS) in Boston, MA. In 1991, he was named VP/General Manager of Sports Radio WEEI and developed the content platform and network that became the number one rated revenue station in America from 1995 to present.

From 1998 to 2008, John and his partners used their prior radio experience to establish Triple an Entertainment LLC, a media entity that served as the owner-operator of 28 radio stations in the Midwest and Northeast. John earned his MS in Management and BA in Accounting at Bentley College. John teaches Revenue Strategies and Pricing for New York University's Sports Management Graduate School Program.

MICHAEL B. GIERY – MANAGING DIRECTOR, COUNSEL

Michael has an extensive business history encompassing both management and ownership experience. He worked as a public servant for both the City of Boston and the Commonwealth of Massachusetts in many roles that encompassed both law enforcement and social services. Michael was also a member of The Massachusetts Committee for Public Counsel Services specializing in the legal representation of indigent clients. Prior to joining Glacial Energy, Michael worked as an attorney specializing in network development and regulatory matters for many major telecommunication companies. He has an undergraduate degree from Johnson & Wales University and a Law Degree from Massachusetts School of Law. Serving as General Counsel for Glacial Energy from Aug 2008 until Jan 2013, Michael has extensive regulatory and operational knowledge of the de-regulated energy industry. Michael has worked exclusively in the deregulated electricity industry from Aug 2008 until today. Since 2014 Mr. Giery has held a dual role in 2 different Brokerage Firms as In-House Counsel and Director of Operations. Mr. Giery has recently been named Managing Director of Novo Energy Services LLC.

MIRIAM COHEN DIRECTOR OF SALES

Miriam has been active in the Energy Industry for over 15 years. She has worked with Energy Supply Companies, Brokerages and opened her own consulting firm, MJC Energy Consulting Group, over 12 years ago, to broaden her ability to offer all available energy opportunities to her ever-growing business. Her dedication and passion have enabled her to be successful for both the companies that have employed and for her clients that trust her as their outsourced energy manager. Her motivation, dedication, dependability, and forward-thinking make her an asset for business development and project management. Her strong professional skill sets combined with her high business acumen adds value to relationship building, implementing sales strategies and sustaining corporate wellbeing. With proven performance and experience across important vertical markets including manufacturing, healthcare, retail, hospitality, entertainment, financial, property management, municipalities, education, and community services, she has been instrumental in creating programs in all aspects of energy, efficiency,

Public Utilities Commission

demand response and renewable solutions. Her consulting ability extends throughout all markets providing value within the Energy Industry for clients both locally and those with a national footprint. She is an active member in many community groups, such as her municipality's Building Committee and Sustainability Committees, and has held leadership roles in multiple Chambers' of Commerce and BNI, a business networking organization. Her experience and participation in DOA auctions, RFP's and the RIPUC further amplify her connection to the ever-changing Energy Industry. She is excited to be a part of Novo Energy Services and is looking forward to being able to offer an even greater depth of products, platforms, solutions, and expertise to present best practices to all.

Competitive Retail Electric Service Affidavit

County of Barnstable :

State of Massachusetts:

Michael B Giery, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Sections 4905.10(A), 4911.18(A), and 4928.06(F), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10, 4911.18, and 4928.06(F), Ohio Revised Code.
4. The applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. The applicant will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. The applicant will fully comply with Section 4928.09, Ohio Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The applicant will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The applicant will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the applicant will provide, it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio.
11. The Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.

12. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.

13. Affiant further sayeth naught.
