AUTHORIZING ORDINANCE

RESOLUTION #2015-08

A RESOLUTION AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT A GOVERNMENTAL NATURAL GAS AGGREGATION PROGRAM WITH OPT-OUT PROVISIONS PURSUANT TO SECTION 4929.26, OHIO REVISED CODE, DIRECTING THE TUSCARAWAS COUNTY BOARD OF ELECTION TO SUBMIT A BALLOT QUESTION TO THE ELECTORS OF SANDY TOWNSHIP AND DISPENSING WITH THE SECOND READING

WHEREAS, the Ohio Legislature has enacted natural gas deregulation legislation which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate automatically, pursuant to Section 4929.26 of the Ohio Revised Code, subject to opt-out provisions, the retail natural gas service located in the respective jurisdictions and to enter into service agreements to facilitate the sale of the natural gas loads; and

WHEREAS, such legislative authorities may exercise such authority jointly with any other legislative authorities.

WHEREAS, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of natural gas deregulation through lower natural gas rates which they would not otherwise be able to have individually.

WHEREAS, this Board of Trustees seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4929.26, Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other natural gas consumers in the Township of Sandy Township and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF SANDY TOWNSHIP,
TUSCARAWAS COUNTY, STATE OF OHIO:

SECTION 1. This Board finds and determines that it is in the best interest of the Township of Sandy Township, OH, its residents, businesses and other natural gas consumers located within the corporate limits of the Township, excluding the Village of Mineral City, to establish the Aggregation Program in the Township. Provided that this Resolution and the Aggregation Program is approved by the electors of the Township of Sandy Township, OH pursuant to Section 2 of this Resolution, the Township of Sandy Township, OH is hereby authorized to aggregate in accordance with Section 4929.26, Ohio Revised Code, the retail natural gas loads located within the Township of Sandy Township, OH, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of natural gas. The Township may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using natural gas proposed to be aggregated and will provide for the opt out rights described in Section 3 of this Resolution.

SECTION 2. The Board of Elections of Tuscarawas County is hereby directed to submit the following question to the electors of the Township of Sandy Township, OH excluding the Village of Mineral City at the general election on November 3, 2015. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this issue at the election held pursuant to this resolution and Section 4929.26 of the Ohio Revised Code.

The form of the ballot to be used in the November 3, 2015 election shall be substantially as follows:

Shall the Township of Sandy Township, OH have the authority to aggregate the retail natural gas loads located in the Township, excluding the Village of Mineral City and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of natural gas, such aggregation to occur automatically except where any person elects to opt out?

_____ AGAINST THE GAS AGGREGATION PROPOSAL

RESOLUTION #2015-08 CONTINUED

The Fiscal Officer of this Township is instructed immediately to file a certified copy of this Resolution and the proposed form of the ballot question with the County Board of Elections not less than ninety (90) days prior to November 3, 2015. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Resolution and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4929.26 of the Ohio Revised Code.

SECTION 3. Upon the approval of a majority of the electors voting at the election provided for in Section 2 of this Resolution, this Board of Trustees, individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Township shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Township. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Board of Trustees shall aggregate the natural gas of any natural gas customer within the Township unless it in advance clearly discloses to the person owning, occupying, controlling, or using the natural gas that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every two years without paying a switching fee. Any such person that opts out of the Aggregation Program pursuant to the stated procedure shall default to the natural gas company providing distribution service for the person's retail natural gas load until the person chooses an alternative supplier.

SECTION 4. This Board of Trustees finds and determines that all formal actions of this Board concerning and relating to the adoption of this Resolution were taken in an open meeting of this Board and that all deliberations of this Board and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

OPERATION AND GOVERNANCE PLAN

SANDY TOWNSHIP, OH, TUSCARAWAS COUNTY NATURAL GAS AGGREGATION PROGRAM

PLAN OF OPERATION AND GOVERNANCE

Introduction. On November 3, 2015, a majority of the voters in the Sandy Township, OH approved a referendum that authorized the Sandy Township Board Of Trustees ("the Township") to pursue Automatic Governmental Aggregation. After the Township held two public hearings on the matter, as prescribed by Section 4929.26 of the Ohio Revised Code, the Township approved this Plan of Operation and Governance, prepared in accordance with Section 4901:1-28-03 of the Ohio Administrative Code. Once certified as a Governmental Aggregator, the Township will be authorized to combine multiple retail natural gas customer loads within its geographic boundaries (the "Aggregation") for the purpose of arranging for the purchase of natural gas supply in Ohio's competitive retail natural gas market.

Governmental Aggregation Services. The Township, as a Governmental Aggregator, will serve as purchasing agent for the Aggregation. As purchasing agent, the Governmental Aggregator shall (i) select a Competitive Retail Natural Gas Supplier ("Supplier") to supply the Aggregation, (ii) negotiate the terms of supply between the Supplier and each Aggregation participant, and (iii) oversee the enrollment procedures administered by the Supplier.

The Contract. The supply contract negotiated by the Governmental Aggregator for the Aggregation (the "Contract") shall be for firm, all-requirements supply. Each Aggregation participant will be individually bound to the Supplier by the Contract, and will be solely responsible for payment and performance. The natural gas supply charges for the Aggregation are included in the Contract that will be negotiated by the Governmental Aggregator. The natural gas supply charges will take the form of either a fixed price or a variable price. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials (such as the Opt-out Notice), available on the Supplier's website, and available by calling the Supplier's toll free customer service telephone number.

Eligibility, Opt-out Disclosures, and Pooling Accounts. Section 4901:1-28-05 of the Ohio Administrative Code requires Columbia Gas (the "Utility") to use its best efforts to provide the Governmental Aggregator with an account list of eligible customers, including the names, account numbers, and service and mailing addresses for all eligible customers residing within the Governmental Aggregator's boundaries. The following customers are not eligible: customers on the Percentage of Income Payment Plan (PIPP), customers that have past due amounts owing to the Utility, customers that are already under contract with a competitive retail natural gas supplier, and mercantile customers. Using this list of eligible accounts the Supplier, with the assistance of the Governmental Aggregator, will review the list to verify that the eligible accounts are located within the geographic limits of the Township and that an area within the Township limits has not been inadvertently filtered from the list.

The Supplier, with assistance from the Governmental Aggregator, will prepare and mail an "Opt-out Notice" to each account identified as (i) eligible by the Utility and (ii) within the geographic limits of the Township by the Governmental Aggregator and the Supplier, within thirty (30) days of receipt of the list from the Utility. The Opt-out Notice will inform the eligible account holder that the Governmental Aggregator is forming an automatic (or "Opt-out") aggregation, provide the price for natural gas supply to the Aggregation and other terms and conditions of service, and explain how the account holder can decline participation in the Aggregation. As required by 4901:1-28-04 of the Ohio Administrative Code, the Opt-out Notice will indicate that the account holder has 21 days to affirmatively respond by telephoning a toll-free number, using a website or returning a postcard to the Supplier that is included in the Opt-out Notice.

The Supplier will receive all Opt-out requests and adjust the eligible account list accordingly. In addition, if any Opt-out Notices are returned by mail to Supplier marked as undeliverable, those accounts are removed from the eligible account list as well. Upon completion of the 21 day Opt-out period, the Supplier will notify the Utility of the remaining accounts that will form the Aggregation, and through an electronic data interchange transaction, enroll the Aggregation. Upon enrollment, each participant will receive an enrollment notice from the Utility that will indicate that the enrollee may rescind its participation in the Aggregation by contacting the Utility within seven business days.

In addition to the initial 21-day Opt-out period, each participant will be provided an opportunity to opt-out every two years without paying an early termination fee.

Billing. Aggregation participants will receive a single, monthly bill from the Utility, which will include charges from the Supplier for its natural gas supply, as well as the Utility distribution charges. Aggregation participants will be billed according to their Utility billing cycle.

Credit, Collections and Deposits. The Utility's credit and collection policy and policies regarding deposits will apply to the Aggregation participants and shall be administered by the Utility. Neither the Governmental Aggregator, nor the Supplier will implement additional policies with respect to credit, deposits and collections.

Concerns and Complaints. Aggregation participants will have multiple means of expressing concerns and reporting complaints. As a general rule, concerns regarding service reliability and billing should be directed to the Utility. The Utility will continue to read meters, handle billing, and generally have the most information about the physical service to a location or account. Questions regarding the administration of the Aggregation should be directed to the Supplier. The Supplier's customer service center is available by telephone 24 hours per day, 7 days per week. Any unresolved disputes should be directed to the Public Utilities Commission of Ohio and/or the Ohio Consumers Council. As a convenience, below is a list of helpful toll free telephone numbers.

The Supplier will attempt to resolve all customer complaints in a timely and good faith manner. The Supplier shall investigate and provide a status report to the customer when the complaint is made directly to them and/or the Township within three (3) business days following receipt of the complaint. Or in the case of a Public Utilities Commission of Ohio ("PUCO") complaint the Supplier will investigate and provide a status report to the customer and PUCO staff within three (3) business days following receipt of the complaint. If an investigation into a complaint received from the customer or a complaint referred by the PUCO is not completed within ten (10) business days, then a status report will be given to the customer, and, if applicable, the PUCO. These status reports will be given every three (3) business days until the investigation is complete, unless the action that must be taken takes longer than three (3) business days and the customer has been notified. Final results of a Commission-referred complaint will be provided to the PUCO either orally (phone) or in writing (e-mail, written correspondence), no later than three (3) business days after the investigation is completed. The final results will be provided in writing to the customer no later than three (3) business days after the investigation is completed. Customers retain the right to contact the PUCO regarding complaints and disputes. All customers have the right to contact the PUCO by writing to Public Utilities Commission of Ohio, ATTN: IAD, 180 E. Broad St., Columbus, OH 43215-3793; by fax to (614) 752-8351; through their website at www.puc.state.oh.us or by calling toll free (800) 686-7826 (VOICE) or (800) 686-1570 (TTY-TDD). Records of customer complaints will be retained for two (2) years after the occurrence of the complaint. A copy of the complaint record will be provided to the PUCO within three (3) business days, if requested.

Moving within the Township. Aggregation participants who move from one location to another within the limits of the Township and retain the same account number, will remain an Aggregation participant and will receive the same price they would have received if their location had not moved. Aggregation participants who move from one location to another within the limits of the Township and are assigned a new account number may enroll their new account in the Aggregation and receive the same price as they would have received if their location had not moved, provided the new account is eligible for Aggregation. Participants who move and receive a new account number may be dropped from the Aggregation by the Utility, but they will not be charged an early termination fee from the Supplier. If a participant is dropped from the Aggregation due to a move within the Township, the participant should contact the Supplier to be reenrolled.

Moving outside of the Township. Aggregation participants who move out of the Township limits will no longer be eligible to participate in the Aggregation, but they will not be charged an early termination fee from the Supplier.

Enrolling after the Opt-out Period. Residential and small business accounts located within the Township's corporate limits that are eligible to join the Aggregation but initially chose to opt-out of the Aggregation, or otherwise weren't included in the Aggregation, may join the Aggregation after the expiration of the applicable Opt-Out Period by contacting the Supplier. The rate for those joining the Aggregation after the expiration of the Opt-out Period may be different from the rate negotiated for the Aggregation by the Government Aggregator. In the event that the Supplier is able to offer to newly eligible customers the same price that is provided to the current Aggregation participants, the Supplier may refresh the Aggregation by providing those who move in to the Township the opportunity to be included automatically, rather than waiting until the next pricing term of the Contract. The process for refreshing the Aggregation with new enrollments would follow the process noted above for determining eligibility, providing Opt-out Notices, and pooling the accounts. (Current Aggregation participants and those who previously declined participation would not receive the Opt-out Notice intended only for newly eligible customers.)

Emergency Service Problems: If you become aware of a gas emergency condition, or experience an unanticipated loss of gas service, you should contact DEO at the telephone number listed on your gas bill.

Termination/Rescission of Agreement: You may terminate / rescind your natural gas supply enrollment with VESI within seven (7) business days of the post mark date of the confirmation letter from DEO. After the initial seven (7) business day period, either you or VESI may terminate the contract

at any time by providing the non-terminating party thirty (30) days written notice of such termination, without penalty. You will remain responsible for all natural gas consumed by you prior to the actual termination of service. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided by DEO under its standard tariff unless or until you choose another supplier. If you voluntarily terminate participation in the Township's natural gas governmental aggregation program, you may be charged a price other than the DEO regulated sales service rate. **There will be no early termination fees associated with Sandy Twp's program.** Service will automatically terminate upon the occurrence of any of the following: (1) the requested service location is not served by DEO; (2) you move outside the DEO service area or to an area not served by VESI; or (3) VESI terminates your supply agreement and returns you as a customer to DEO. You have the right to terminate natural gas service with VESI, without penalty, for any reason at any time.

Program Compliance: DEO's deregulation program is subject to the ongoing jurisdiction of the PUCO. If the PUCO cancels the program, this contract is rendered void with no penalty to either party. The laws of the State of Ohio will govern the terms of natural gas supply.

Change in Law: In the event that there is a change (including a change in interpretation) in law, administrative regulation, rule, filed tariff (in effect at the start of the Initial Term, not pending and disputed), regulatory design, market or transportation design or structure, ordinance, order, judicial decision, or statute, including, without limitation, changes in utility tariffs and pipeline protocols, or any fees or costs, including any charged by pipelines or utility, or the commencement of enforcement of a change in law or administrative regulation, and such results in VESI incurring additional costs and expenses in providing your natural gas service under this Contract, such additional costs and expenses will be your responsibility and will be assessed in your rate, charges and fees for natural gas service, notwithstanding the type of product you elected.

Eligibility: VESI's rate excludes DEO charges and taxes.
