**Re: Notification that Dominion Energy Solutions, LLC will not seek renewal of its CRNGS  
Certificate / Certificate No. 02-018G / Docket No. 02-1757-GA-CRS**

Dear Ms. McNeal,

The purpose of this filing is to notify the Public Utilities Commission of Ohio (“Commission”) that Dominion Energy Solutions, LLC, f/k/a Dominion Energy Solutions, Inc. (“DES”), will not seek renewal of its certificate to provide competitive retail natural gas services.

The Commission most recently issued Certificate No. 02-018G to DES to provide competitive retail natural gas services. That certificate lapsed on September 11, 2022, and DES did not seek renewal. As described in the notice of material change that DES filed in the above-captioned docket on April 29, 2022, DES no longer serves natural gas customers in Ohio.

DES, therefore, no longer wishes to be certified as a competitive retail natural gas provider and will not seek renewal of its certificate to provide competitive retail natural gas services.

If you have any questions regarding this notice, please do not hesitate to contact me.

Sincerely,

/s/ Joseph E. Olikier
