Staff Review and Recommendation for
PES Action Corporation
Case No. 19-1146-EL-AGG

On July 6, 2021, PES Action Corporation (PES or Applicant) filed an application with the Commission seeking to renew its certification as a competitive retail electric service (CRES) provider in Ohio. The application was suspended on August 5, 2021 in order to give the Commission and Staff additional time. Revisions to the application were filed on August 6, August 9, and October 28, 2021. Even with these revisions, the application is still not compliant with the financial section.

To date, there have been no additional revisions filed in this docket. Staff attempted to contact the applicant via email using every contact email that is listed on the application on January 26, 2023, and again on March 21, 2023 with no response. The application, as filed, does not include the necessary information required for approval. At this time, Staff is recommending that this application be dismissed by the commission.
