### EXHIBIT C - A short description of the nature of the change

The DBA name being filed with this notice of change for Cincinnati Bell Extended Territories LLC is “altafiber connected services”. A copy of the Secretary of State filing, which became effective on January 23, 2023 is included with this application. The standalone name “altafiber” will continue to be used externally.

The reason for the change is the same as what was described in the filing on June 13, 2022 in Case No. 22-0585-TP-ACN.

“Cincinnati Bell is very proud of the “Bell” name. That said, the brand no longer reflects our transformation into a technology company that is investing billions of dollars into a fiber network that will blanket our operating territory. Our new branding – altafiber – reflects that we are a cutting edge technology company that is making the investments necessary to serve our hometown and beyond for the next 150 years. The name change will have minimal impacts on customers, other than we are committed to building out our fiber infrastructure and bringing enhanced Internet products to the communities we service. Our processes, policies, and procedures will remain the same with regard to serving our customers. Customers will send bill payment to the same place, receive our bill as they always have. Contact numbers for support will remain the same.”

## EXHIBIT D – Customer Notification

As outlined in the Case No. 22-0585-TP-ACN filing, customers were notified of the “altafiber” name change in 2022. No customer notification took place in regards to this new DBA “altafiber connected services” because it is transparent to customers, they will continue to see “altafiber” on their bills and on the website.
