**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On April 10, 2023, Cincinnati Bell Extended Territories dba altafiber Extended Territories (Applicant) filed an application with the Commission proposing to revise its tariffs to reflect a change in its DBA. The Applicant is proposing to change its DBA form “altafiber Extended Territories” to “altafiber connected services.” Pursuant to Ohio Adm.Code 4901:1-6-29(B) this is an Application to Change the Name of a LEC (ACN). As such, this ACN is subject to a 30-day approval process. The automatic approval date is May 10, with an effective date of May 11, 2023.

Upon review of the application staff found that the Applicant had not filed a Secretary of State Certificate of Good Standing and requested that the Applicant file one. On April 25, 2023, the Applicant amended its application to add the Certificate of Good Standing. In addition, the Applicant states the standalone name “altafiber” will continue to be used externally. As such, no customer notice was provided since the name change is transparent to the customers.

Staff reviewed all documents and exhibits filed with the application on April 10, 2023, and as amended, on April 25, 2023. In conclusion, the staff review found the application is reasonable. Therefore, staff recommends that Applicants’ Application to Change the Name of a LEC be approved.
