A-13. Company history

R-Square Correlations, Inc started out as a business solutions company focused on helping businesses of all sizes increase revenue through growth & decrease expenses through consultive analysis & recommendations. The Energy industry became a focus early in our process and since then we've established multiple feet on the street teams to acquire new business. Initially we were doing strictly new business acquisition on campaigns for Constellation and NRG in Illinois and Ohio markets. Then we built a team specifically for Energy Brokers expanding our relationships with more Suppliers and striving to continue the relationships built with the customers in our book of business by finding the best fit for them. 2018 saw us licensed as an independent Broker. We have a book of business nearing 2000 commercial & industrial customers. We've developed a unique & customer service focused process. We have innovatively designed our own proprietary CRM tool specifically for the

Energy Industry. And we have a team that is unmatched; our future outlook is stronger than ever.

A-14. Secretary of State

Secretary of State Link:

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: R-Square Correlations, Inc. has been actively servicing Commercial /Small Business customers with brokering services for their Electricity and Natural Gas accounts in the State of Illinois and State of Ohio for numerous years. We follow the guidelines laid out by PUCO and Illinois Commerce Commission respectively to serve customers. We are applying for the renewal of our existing PUCO certificate.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: R-Square Correlations, Inc. has no existing, pending or past rulings, judgments, contingent liabilities, revocation of authority, regulatory investigations or any liabilities or outstanding matters that could adversely impact our financial or operational

status or ability to provide the services we are seeking certification to provide in the State of Ohio.

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Public Utilities Commission

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Public Utilities Commission

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Choosing between the hundreds of suppliers that are out there can be a daunting task. Different products, rates, contracts and terms; salespeople calling on the phone and in person with all kinds of offers. How can anyone make sense of all this? Simple, you let us handle it for you. R-Square Correlations, Inc. is different in that we are on your side. Our entire business is predicated on finding the best fit amongst all of the suppliers and offers out there initially for you and then continuing to keep your interests in the forefront so that if another supplier is better down the road then that is where we move your account to.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-

Public Utilities Commission

mail addresses, and background of key personnel involved in the operations of the applicant's business.

Score Improvement Tips

Based on information found in this report on R-Square Correlations Inc, we recommend the following action items to help improve your business credit score:

- The number of commercial accounts active in the last 12 months is low.
You should attempt to use more accounts you may have, or open new tradelines.
- The number of accounts reporting in the last 6 months is low.
You should attempt to use more accounts you may have, or open new tradelines.
- You have a number of accounts with terms that are the standard net-30 terms.
You should always attempt to obtain net-30 terms, if possible, from existing and future tradeline suppliers.
Net-30 terms improves your score.
- The length of time Experian has a credit history on your company affects your score.
Young companies are penalized for not having a long credit history.
Older companies benefit from having a long history.
- Make sure all of the information seen here in your report is correct.
If you see outdated or inaccurate information then [Update it now on our www.BusinessCreditFacts.com website](#).

Score Improvement Tips

Based on information found in this report on R-Square Correlations Inc, we recommend the following action items to help improve your business credit score:

- The number of commercial accounts active in the last 12 months is low.
You should attempt to use more accounts you may have, or open new tradelines.
- The number of accounts reporting in the last 6 months is low.
You should attempt to use more accounts you may have, or open new tradelines.
- You have a number of accounts with terms that are the standard net-30 terms.
You should always attempt to obtain net-30 terms, if possible, from existing and future tradeline suppliers.
Net-30 terms improves your score.
- The length of time Experian has a credit history on your company affects your score.
Young companies are penalized for not having a long credit history.
Older companies benefit from having a long history.
- Make sure all of the information seen here in your report is correct.
