

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
INTEGRITY ENERGY LTD FOR
CERTIFICATION AS A COMPETITIVE
RETAIL NATURAL GAS BROKER.

CASE NO. 15-874-GA-AGG

ENTRY

Entered in the Journal on August 4, 2023

{¶ 1} On July 5, 2023, Integrity Energy LTD (Integrity) filed an application for recertification as a retail natural gas broker.

{¶ 2} Pursuant to R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, Integrity's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of suspension. R.C. 4929.20(A); Ohio Adm.Code 4901:1-27-10(A)(2)(b).

{¶ 3} Staff has requested that the automatic approval process be suspended to allow Integrity additional time to provide information requested by Staff.

{¶ 4} The attorney examiner finds that, to allow for further review of this matter by the Commission and Staff, good cause exists to suspend the 30-day automatic approval process with respect to Integrity's application for certification.

{¶ 5} It is therefore,

{¶ 6} ORDERED, That the automatic approval process for Integrity's application for recertification as a retail natural gas broker be suspended until further ordered by the Commission. It is, further,

{¶ 7} ORDERED, That a copy of this Entry be served upon all parties of record.
