Dear Natural Gas Customer,

Residents of your community have voted to have their natural gas provided through governmental aggregation and your community has chosen to become a member community of the Northeast Ohio Public Energy Council (NOPEC) which will serve as your governmental aggregator for natural gas. As an eligible customer, **you will be automatically enrolled in NOPEC's program and do not need to take any further action to receive exclusive member pricing for your home or business** through our chosen supplier NextEra Energy Services Ohio, LLC ("Supplier"), from your November 2023 meter read date and continuing until your June 2025 meter read date, as described in the enclosed Terms and Conditions.

Program Details

For NOPEC's Standard Program, your initial price for three months will be \$4.25 per Mcf from your November 2023 meter read date until your February 2024 meter read date. After your initial three-month price, your price will be NOPEC's Standard Program price and may change from month to month but not more than once in a 30-day period for the remaining term of the contract and will be published on NOPEC's website (www.nopec.org/gas) at least 30 days prior to its effective date. Supplier and NOPEC determine the Standard Program price based on numerous factors. The price may vary after your February 2024 meter read date based on these factors, which are described in detail in the enclosed Terms and Conditions.

Enrollment Options

You do not need to take any action to enroll in NOPEC's Standard Program. However, if you decide not to participate, you must sign, date, and return the enclosed form to us, either by mail or fax to 440-774-4422, by **October 9, 2023**. If you choose to opt out of the program, you will be provided service from your utility at its Standard Choice Offer rate until you choose to take service from a competitive supplier.

Additional Product Choices

As an alternative to the Standard Program, you can also choose our Monthly Variable Price product; the price will be \$0.02/Mcf less than your Utility's Standard Choice Offer. Enrollment in the Monthly Variable Price product is limited to 3.5% of NOPEC customers in the utility service territory and therefore subject to availability.

In addition, NOPEC has other product options, including market-competitive 12 and 24-month fixed term pricing.

Please visit www.nopec.org/gas or call 1-855-667-3201 for more information on these products. To enroll in one of these product alternatives, you must call us at 1-855-667-3201.

We look forward to serving you.

You are receiving this notice because you have the right to opt-out at least once every two (2) years for natural gas without penalty. All eligible customers in member communities are automatically included in the program unless you opt-out by **October 9, 2023**. All prices are exclusive of sales and other applicable taxes and utility charges.

Terms and Conditions DEO

1. **What We Agree To Do:** NextEra Energy Services Ohio, LLC ("Supplier", "us" or "we") will supply all your gas needs, and Dominion Energy Ohio (Utility), your natural gas utility company, will deliver the gas you buy under this agreement to your home or place of business.

2. **What You Agree To Do:** You agree to pay in full the bill for natural gas and for the Utility's charges on or before the due date on the bill. You will receive a single monthly bill from the Utility that will include its charges as well as the Supplier's charges. The Utility's normal billing standards apply, including budget billing.

3. **Price:** If you choose the Program Price, you agree to pay a price of \$4.25 per Mcf from your November 2023 meter reading date ("Meter Reading Start Date") until your February 2024 meter reading date. This is an estimate only and will depend upon your meter read cycle and when your local utility accepts your enrollment. After that time, your price may vary. Your variable price may change at any time, but it will not change more than once in a thirty (30) day period. Supplier and NOPEC will determine NOPEC's subsequent price(s) based on a number of factors which include: Supplier's and NOPEC's assessment of applicable market and business conditions, costs to supply natural gas (such as commodity costs, transportation costs, storage costs, balancing fees, losses, risk premiums and other charges as required by related Utility or pipeline tariffs), operational costs, applicable taxes, and administrative fees determined in Supplier's and NOPEC's discretion. Supplier's current and historical prices are not an indicator of its future prices or a guarantee of cost savings. You may visit NOPEC's website at www.nopec.org/gas for variable price information.

If you choose the Monthly Variable Price product, you will receive a market variable price that will change each month; the price will be \$0.02/Mcf less than the monthly Utility Standard Choice Offer price. Enrollment in the Monthly Variable Price is limited (reference paragraph 15 for certain limitations).

The price includes a fee for the administrative services provided by NOPEC. All prices exclude applicable Ohio taxes and you will continue to be responsible for all charges assessed by the Utility, including any fees, surcharges or taxes associated with providing your service. If your business is exempt from Ohio sales tax, and we do not already have a copy of your exemption form, please mail us your exemption form. Without the form, we are required to collect sales tax and the Utility will add applicable taxes to your bill. In the event that any tax included in the price, or related expense, is modified due to legislation or regulation applicable to Ohio natural gas choice, we shall include such modification in our price.

4. **Switching Fee:** You pay no charge to switch your supply to us pursuant to this agreement because Supplier shall pay any applicable initial switching fees as charged by the Utility.

5. **Term:** The Term of this agreement is expected to begin with your Meter Reading Start Date and will continue until your June 2025 meter reading date.

6. **Payment History:** You have the right to request twice within a twelve (12) month period up to twenty-four (24) months of payment history for services provided by Supplier without charge.

7. **Rescission:** Utility will send you a written notice confirming your decision to enroll. You have the right to rescind this agreement without penalty within nine (9) business days of receiving the confirmation letter from the Utility by calling them at 1-800-362-7557.

8. **Eligibility:** This agreement is for residential Utility "choice" and small commercial Utility "choice" accounts consuming less than 500 Mcf per year. Customers in the Percentage of Income Payment Plan, with certain arrearages or served by a competitive supplier are not eligible. Customer represents that Customer is not currently under a contract with a competitive retail natural gas supplier. The Supplier reserves the right to void this agreement, without liability, if your account does not meet these eligibility requirements.

9. **Cancellation/Amendments:** You may terminate this agreement at no cost, by written notice to the Supplier or by telephone to Supplier at the address and telephone number for them listed in paragraph 14, but you will not be relieved of your obligation to pay for your supply from us through the date the Utility closes your Account with us. You also have the right to opt-out of the NOPEC aggregation program at least every two years without penalty. Upon 30 (thirty) days written notice to you, Supplier may amend this agreement due to any material regulatory, tariff, or procedural change that adversely affects its ability to serve you under this agreement. Upon cancellation or expiration of this agreement, you may choose to receive natural gas from the Utility, or enroll with another supplier. This agreement automatically terminates if the requested service location is not served by the incumbent natural gas company, or if Supplier returns you to your incumbent natural gas company's sales service. Should you fail to pay the bill or meet any agreed-upon payment arrangement, your contract may be terminated by the Supplier and your service may be terminated in accordance with the Utility's tariff on file with the Public Utilities Commission of Ohio with at least fourteen (14) days written notice, but such termination will not relieve you of your obligation to pay for supply through the date of such termination.

10. **If You Move:** You have the right to terminate this agreement without penalty if you move, but you must pay for your supply from us through the date the Utility closes your Account with us. If you move outside the Utility's service territory, this agreement will terminate automatically at no cost to you. If you move to a new address in a NOPEC member community within the Utility's service territory, you may contact the Utility and Supplier and request that, at Supplier's discretion, your new address be substituted for your old address under this agreement.

11. **Assignment:** Supplier may assign this agreement to an affiliate or third party, in whole or in part, upon thirty (30) days written notice to you subject to any regulatory approvals and NOPEC's consent, if applicable.

12. **Program Termination:** In the event the Dominion Energy Ohio Choice Program is terminated prior to the end of this agreement, this agreement shall automatically terminate.

13. **Authorization:** You authorize Supplier to obtain information from the Utility that includes, but is not limited to: your billing history, payment history, historical and expected gas usage, meter-readings, and characteristics of gas service. You understand this agreement is under the NOPEC program and authorize Supplier to share your account information with NOPEC. Supplier will not release your account number(s) or social security number without your written consent, unless ordered by PUCO, a court of competent jurisdiction, to our assignee or in connection with its own collections efforts and/or credit reporting.

14. **Customer Inquiries and Disputes:** Supplier's hours of operation are 24 hours a day. To contact Supplier with questions concerning the terms and conditions, billing questions, disputes and complaints please call toll-free 1-855-667-3201, 24 hours a day, 7 days a week. You may also visit NOPEC's website at www.nopec.org.

15. **Monthly Variable Price Limit:** The Monthly Variable Price product is limited in availability to 3.5% of NOPEC customers in the Dominion Energy Ohio service territory. Once there is no longer availability, customers choosing the Monthly Variable Price product will be placed on the Standard Program, but these customers may cancel without penalty anytime by providing notice to us. We reserve the right to discontinue enrollment in the Monthly Variable Price product at any time in our sole discretion, but customers enrolled prior to such discontinuance will continue to receive the Monthly Variable Price for the Term.

16. **Liability Limit:** THE REMEDY IN ANY CLAIM OR SUIT BY YOU AGAINST US WILL BE LIMITED TO DIRECT, ACTUAL DAMAGES, AND NEITHER NEXTERA ENERGY SERVICES OHIO, LLC NOR ANY OF ITS AFFILIATES WILL BE LIABLE FOR CONSEQUENTIAL, SPECIAL, INCIDENTAL, INDIRECT (INCLUDING LOSS OF PROFITS) OR PUNITIVE DAMAGES.
