Schedule "B" – Private Fire Protection

"DRY" SPRINKLER SYSTEM

Water will be supplied for fire protection on private premises through a sprinkler system at the following rates:

2" service	\$ 140.19 monthly
6" service	\$ 229.45 <u>231.70</u> monthly
8" service	\$ 446.84 <u>451.30</u> monthly

This monthly charge shall be made in accordance with the size of the pipe entering the building and supplying fire standpipes and sprinklers on a dry system. All standpipes, sprinklers, pipes and outlets shall be so placed as to be readily inspected, and prior to the installation of such a service line. The Company shall be furnished full details and plans, or copies thereof, showing location of all pipes, valves and hose connections. The Company shall install such a fire service line up to the property line of the customer, and this part of the service line shall be the property and remain under the control of the Company.

Schedule "B.1" – Private Fire Hydrants

All private fire hydrants, if not metered, shall be classified under this schedule. The cost of construction shall be born by the owner and the type, model and installation of hydrant shall be in conformity with Company standards. These hydrants are to be used strictly for fire fighting purposes. All other usages are prohibited. In case of violation, the Company reserves the right to discontinue service to the respective hydrant or hydrants, or to require the service to be metered under Schedule "B" – Private Fire Protection.

Private fire hydrants constructed on private property and served through a metered fire service (see Schedule "B" – Private Fire Protection) shall not be subject to Schedule "B.1" – Private Fire Hydrants. Said hydrants are the sole responsibility of the property owner and shall be maintained by him or her.

Any and all future customers to be served by Aqua Ohio, Inc. living in the Woods of Auburn Lakes Condominium Association, the Auburn Lakes Condominium Association, and the Auburn Crossing Condominium Association will be served on a Special Contract pursuant to the terms of a contract between the Condominium Associations and Aqua as approved by the Commission.

Rates for customers in Rate Group 3: formerly served by Ohio American Water Company and former Southwood Estates(cont.)

LATE PAYMENT FEE

The late payment fee of 5% is based on current charges only and is not compounded on future delinquencies. The customer receives a six (6) day grace period (after due date) before late fees are applied. The six-day grace period allows for any mail or processing delays.

DISHONORED PAYMENTS

When a payment for service is returned by the financial institution unpaid, a charge of eighteen dollars and fifty-eight cents (\$18.58) will be assessed to cover the cost of processing this transaction, provided the payment is properly processed by the Company. The charge for the dishonored payment may be reflected at the Company's option, when the Company returns the dishonored payment or may be included on the customer's next billing.

RECONNECTION FEE

Reconnection fees as defined by this tariff, Section 3-2, Original Sheet No. 9, Item 16, are:

Reconnection Fee during regular business hours\$53.25
Reconnection Fee other than during regular business hours\$163.43

ACCOUNT ACTIVATION CHARGE

An account activation charge of thirty dollars and seventy-six cents (\$30.76) will be charged for a service connection during the Company's regular business hours

PRIVATE FIRE RATE SCHEDULE

The rates for private fire service are based upon the size of the service, and no additional charges will be made for fire hydrants, hose connections, sprinkler systems, or standpipes connected to and supplied by such private fire services.

	Per Month

Rates for customers in Rate Group 2: former, Aqua Ohio Lake Erie East, Masury, former Mohawk Util., former Seneca Util., former Norlick Place Water Company, Auburn Lakes Condominium Development, the Woods of Auburn Lakes Condominium Development, and the Auburn Crossing Condominium Development, (cont.)

Schedule "B" – Private Fire Protection

"DRY" SPRINKLER SYSTEM

Water will be supplied for fire protection on private premises through a sprinkler system at the following rates:

6" service	\$ 231.70 monthly
8" service	\$ 451.30 monthly

This monthly charge shall be made in accordance with the size of the pipe entering the building and supplying fire standpipes and sprinklers on a dry system. All standpipes, sprinklers, pipes and outlets shall be so placed as to be readily inspected, and prior to the installation of such a service line. The Company shall be furnished full details and plans, or copies thereof, showing location of all pipes, valves and hose connections. The Company shall install such a fire service line up to the property line of the customer, and this part of the service line shall be the property and remain under the control of the Company.

Schedule "B.1" – Private Fire Hydrants

All private fire hydrants, if not metered, shall be classified under this schedule. The cost of construction shall be born by the owner and the type, model and installation of hydrant shall be in conformity with Company standards. These hydrants are to be used strictly for fire fighting purposes. All other usages are prohibited. In case of violation, the Company reserves the right to discontinue service to the respective hydrant or hydrants, or to require the service to be metered under Schedule "B" – Private Fire Protection.

Private fire hydrants constructed on private property and served through a metered fire service (see Schedule "B" – Private Fire Protection) shall not be subject to Schedule "B.1" – Private Fire Hydrants. Said hydrants are the sole responsibility of the property owner and shall be maintained by him or her.

Any and all future customers to be served by Aqua Ohio, Inc. living in the Woods of Auburn Lakes Condominium Association, the Auburn Lakes Condominium Association, and the Auburn Crossing Condominium Association will be served on a Special Contract pursuant to the terms of a contract between the Condominium Associations and Aqua as approved by the Commission.

P.U.C.O. Tariff No. 2

Rates for customers in Rate Group 3: formerly served by Ohio American Water Company and former Southwood Estates(cont.)

LATE PAYMENT FEE

The late payment fee of 5% is based on current charges only and is not compounded on future delinquencies. The customer receives a six (6) day grace period (after due date) before late fees are applied. The six-day grace period allows for any mail or processing delays.

DISHONORED PAYMENTS

When a payment for service is returned by the financial institution unpaid, a charge of eighteen dollars and fifty-eight cents (\$18.58) will be assessed to cover the cost of processing this transaction, provided the payment is properly processed by the Company. The charge for the dishonored payment may be reflected at the Company's option, when the Company returns the dishonored payment or may be included on the customer's next billing.

RECONNECTION FEE

Reconnection fees as defined by this tariff, Section 3-2, Original Sheet No. 9, Item 16, are:

Reconnection Fee during regular business hours	\$53.25
Reconnection Fee other than during regular business hours	\$163.43

ACCOUNT ACTIVATION CHARGE

An account activation charge of thirty dollars and seventy-six cents (\$30.76) will be charged for a service connection during the Company's regular business hours

PRIVATE FIRE RATE SCHEDULE

The rates for private fire service are based upon the size of the service, and no additional charges will be made for fire hydrants, hose connections, sprinkler systems, or standpipes connected to and supplied by such private fire services.

	<u>Per Month</u>
2" Diameter & smaller.....	\$ 13.10
2-1/2" Diameter.....	\$ 20.50
