A-13. Company history

Save on Energy, LLC was founded in 2003. Since then the company has been acquired by Red Ventures, LLC, a portfolio of digital companies that specializes in bringing consumers and brands together. Save On Energy, LLC offers online comparison-shopping for residential and small commercial electricity and natural gas consumers within deregulated states.

A-14. Secretary of State

Secretary of State Link:

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

Jurisdiction of Operation: Save On Energy, LLC. is authorized to do business as a retail energy broker in the following states:

- o California
- o Connecticut
- o Delaware
- o Georgia
- o Illinois
- o Maine
- o Maryland
- o Massachusetts
- o Michigan
- o New Hampshire
- o New Jersey
- o New York
- o Ohio
- o Pennsylvania
- o Texas

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: Save On Energy, LLC does not contract with consumers directly. All contracts are made between the consumer and the energy supplier in which they enroll. Save on Energy, LLC acts as a consultative service for the consumer by allowing the consumer to comparison shop energy rates in their area on www.saveonenergy.com.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: Save On Energy, LLC did have its previous Pennsylvania EGS license canceled by the Commission due to failure to provide financial security. Choose Energy, Inc., an affiliate of Save On Energy, LLC, is a respondent in the termination of an abandoned license proceeding in Illinois. That matter is venued before the Illinois Commerce Commission, which entered a final order suspending the company's certificate of service authority on 1/3/2024. The ultimate disposition is unknown as the company has not waived its post-order procedural rights.

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted orheld liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

Yes

Description: Save On Energy, LLC's Electricity Aggregator/Broker license and Natural Gas Aggregator/Broker license have both expired in Ohio because of failure to timely file its renewal applications due to administrative oversight. Save On Energy, LLC has corrected these oversights and reapplied for its licenses in Ohio. Save On Energy, LLC's affiliate, Choose Energy,

Inc., also had its Ohio Electricity Aggregator/Broker license expire for the same reason but has since fulfilled the submission requirements.

B-6. Environmental disclosures

Provide a detailed description of how the applicant intends to determine its generation resource mix and environmental characteristics, including air emissions and radioactive waste. Include the annual projection methodology and the proposed approach to compiling the quarterly actual environmental disclosure data. See 4901:1-21-09 of the Ohio Administrative Code for additional details of this requirement.

PJM disclosure option chosen

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's <u>two most recent years</u> of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted.**

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

File(s) attached

C-3. Forecasted financial statements

Provide two years of forecasted income statements based <u>solely</u> on the applicant's anticipated business activities in the state of Ohio.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

File(s) attached

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

This does not apply.

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Section D: Applicant Technical Capacity

D-1. Operations

<u>Power brokers/aggregators:</u> Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Save On Energy Inc. partners with energy providers in deregulated states to provide marketing services. Consumers within these deregulated markets are able to comparison shop energy rates on the website, www.saveonenergy.com. Save On Energy, LLC does not contract with the consumer directly. Each supplier in which Save On Energy, LLC is partnered with is responsible for all contracts and billing.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, email addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: Save on Energy, LLC was founded in 2003 and has provided marketing services in deregulated markets since its inception. Please find the professional histories of Save On Energy, LLC's principals to demonstrate their ability and expertise:

BEN BRAUN - CFO & COO

Ben Braun joined Red Ventures as CFO in December 2021. In addition to CFO, Ben

assumed the role of COO in April 2023. Prior to joining Red Ventures, Ben helped lead Corporate Strategy and Business Development for NBCUniversal. In this role, Ben worked on developing NBCU's streaming business, Peacock, and he supported NBCU's Film & TV, Ad Sales, and other businesses on strategic initiatives and the evaluation of M&A opportunities.
