RE: *In the Matter of the Application of Duke Energy Ohio, Inc., to Adjust its Electric Tax Cuts and Jobs Act Rider, Rider ETCJA, Case No. 18-1185-EL-UNC.*

Dear Docketing Division:

Staff has reviewed the tariffs filed by Duke Energy Ohio, Inc. (Company) on January 30, 2024, and finds that they comply with the Commission Order in this case. Staff recommends the Company continue to separate within the supporting schedules Protected Excess Deferred Income Taxes between amounts related to Property, Plant, and Equipment (PP&E) and amounts not related to PP&E. Additionally, Staff recommends the Company continue to track the tax-related savings refunded to customers to ensure the appropriate amount is refunded over the duration of the rider.
