4. Payment Arrangements (Continued)

(E) Deposits

To safeguard its interests, before a service is furnished, Company may require a Customer to make a deposit to be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. The Company will comply with applicable portions of Rules 4901:1-5-14 and 4901:1-17 of the Ohio Administrative Code concerning deposits. (T)

A Customer may be required to post a deposit if the Customer account meets one of the following criteria: (T)

- 1) The Customer has not made full payment or payment arrangements by the due date for two consecutive bills during the preceding twelve (12) months.
- 2) The Customer has been issued a disconnection notice for nonpayment on two or more occasions during the preceding twelve (12) months.

The Company may require a deposit if the applicant for service was a customer of that utility during the preceeding twelve (12) months, and had service disconnected for nonpayment, a fraudulent practice, tampering, or unauthorized reconnection.

If a deposit is requested, the Company will comply with applicable portions of Rules 4901:1-5-13 and 4901:1-17 of the Ohio Administrative Code. (T)
