ENTRY

The Commission finds:

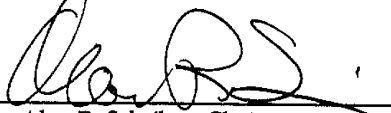

- (1) By previous entries, various railroads were ordered to complete improvements at numerous grade crossings in Ohio.
- (2) By memorandum dated September 27, 2001, the Commission staff indicated that the projects included in the above-captioned cases have been completed. As all projects associated with these cases have been completed, these cases should be closed.

It is, therefore,

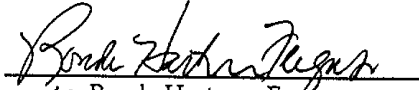

This is to certify that the images appearing are an
