DIRECTORY LISTINGS (cont'd.)

E. Unlisted Number Service (cont'd.)

(T)

4. The customer requesting Unlisted Number Service shall indemnify and save harmless the Telephone Company against any and all claims for damages caused or claimed to have been caused directly or indirectly, either by a refusal to publish either orally or in writing, information relative to the number of the telephone with regard to which Unlisted Number Service is being furnished, or by the publication or other disclosure of information relative to such number to any person.
5. The Telephone Company's liability for damages arising from oral or written publication of the number on either Unlisted Number Service option shall not exceed the lesser of the actual damages sustained by the customer as a direct result of such publication, or \$13.65. The Telephone Company will not be a party to controversies arising between customers and others as a result of its refusal to publish any telephone number or its publication of any telephone number. Approval of this tariff language by the PUCO does not constitute a determination by the Commission that the limitation of liability imposed by the company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of the exculpatory clause.
- 5.A. A customer who calls an enhanced universal emergency telephone number (i.e., 911) service may forfeit the privacy afforded to non-published customers to the extent that the telephone number, address and name associated with the originating station are furnished to the 911 service Public Service Answering Points.
- 5.B The Telephone Company will endeavor to prevent the disclosure of the number on Unlisted Number Service, but shall not be liable should such number be inadvertently divulged, or where: 1) a call is placed from that number to a subscriber of Caller ID or Caller ID Name and Number without first using Select Line Blocking or Universal Per Call Blocking as described in Section 4 of P.U.C.O. No. 2, Exchange Rate Tariff; or, 2) the number is included for toll billing purposes.
6. If a request for Unlisted Number Service is made at the time of original application for service, there will be no non-recurring charge. If such request is made after original installation, the filed change charge will apply. For all subsequent requests that a non-listed/non-published number be changed (for whatever reason) to any other number, the customer shall have the following options:

However, during such period, the customer will retain the directory listing or listings, telephone number, and access to E-9-1-1 and repair. (2) Denotes Tier 1 Non-core service.

Rates for Tier 1 Core services are capped at current rates. Rates for Tier 1 Non Core services are capped at current rates until September 24, 2006. After September 24, 2006, Tier 1 Non Core rates can be increased to a maximum cap of double the initial rate, other than the second local exchange access line and call waiting, which are limited to a ten percent increase per year until they cap at double the initial rate. EXHIBIT C

The Chillicothe Telephone Company proposes to enhance its Unlisted Number Service by offering two options instead of one for the same monthly charge and to update the tariff language.

Due to requests from our customers, we are offering Non-Listed Number Service whereby the number is not printed in the directory, but can be obtained through Directory Assistance. Customers will still have the option of what is considered a Non-Published listing where the number is not printed in the directory nor can it be obtained through Directory Assistance.

We propose no change in rate to either option; Non-Published and Non-Listed Number Service will remain at the current monthly rate of \$1.50.

This change will provide another option for our customers.
