ORIGINAL SHEET 6

PUBLIC UTILITIES COMMISSION OF OHIO TARIFF NO. 2

SECTION 1. TECHNICAL TERMS AND ABBREVIATIONS

Aggregator - Any person, firm, corporation, or other entity who subscribes to services of the Company for the purposes of providing telecommunications services to its patrons.

Alternative Operator Services - Alternative Operator Services are those services provided by the Carrier in which the customer and the end user are totally separate entities. The carrier contracts with the customer to provide the alternative operator services; however, the carrier does not directly contract with the end user to provide the services even though it is the end user who actually pays for the processing of the operator assisted calls.

Automated Collect Call - Calls billed to the Called Party and completed through an automated call processing system that prompts the call originator and the Called Party. The Called Party must accept charges for the call for communications to occur and is responsible for payment.

Called Party - The person, individual, corporation or other entity whose telephone number is called by the Calling Party. The Called Party accepts responsibility for payment of charges for use of WCS's service.

Carrier or Company - Whenever used in this tariff, "Carrier", "Company", "WCS", refers to Wholesale Carrier Services, Inc. unless otherwise specified or clearly indicated by the context.

Common Carrier - A company or entity providing telecommunications services to the public and subject to the jurisdiction of the Public Utilities Commission of Ohio.

Commission - The Public Utilities Commission of Ohio.
