2.2.1 The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.

2.2.2 The Company may require a Customer to immediately shut down its transmission of signals if said transmission is causing interference to others.

2.2.3 Customer may not use service furnished under this local exchange tariff, directly or indirectly, to provide a service that constitutes exchange access and/or is subject to the application of access charges under applicable law. The Company reserves the right to:

- 1) request that Customer provide written certification that it is using the service in compliance with this requirement; and/or
- 2) conduct a site survey of Customer premises or an audit of Customer books and records upon reasonable notice or take other reasonable measures to satisfy itself that Customer is using service in compliance with this tariff.

In the event Customer is found to be using service in violation of this requirement, the Company may discontinue the provision of service without notice, any other provision of this tariff to the contrary notwithstanding. Customer shall indemnify the Company for any liability, losses, penalties or payments (including without limitation access charges and the Company's attorneys' fees) incurred due to Customer's misuse of the Company's services obtained under this tariff.

2.3 Obligations of the Customer

2.3.1 General

The Customer shall be responsible for:

- (a) the payment of all applicable charges pursuant to this tariff;
