- (2) On April 29, 2005, the Applicants each filed proposed tariff modifications to comply with 4901:1-18, Ohio Administrative Code. The proposed modifications allowed the company to charge a landlord/owner of a master-metered premises for costs incurred to provide disconnection notices to tenants.
- (3) On June 19, 2005, the Applicants notified the Commission that the applications were being withdrawn. The Applicants state that the tariffs are in compliance with the Commission rules without the proposed modifications.
