**SECTION 5 - SPECIAL CONSTRUCTION SERVICES *Cont'd.***

**5.1 Special Construction Services *Cont'd.***

- (g) where the construction requested involves abnormal costs; and
- (h) where construction of facilities is done in advance of the Company's normal construction schedule.

**5.1.3 Construction Charges**

Special construction charges will be determined on an individual case basis. Individual contract basis arrangements will be provided to customers in accordance with contracts on file with and approved by the PUCO.

**5.2 Individual Case Basis Arrangements**

- 5.2.1** The Company may, in response to competitive request for proposal or for non-standard services per 5.2.3, develop a responsive individual contract billing arrangement for services offered in this tariff.
- 5.2.2** Prices quoted in response to such requests may be different from those in effect in this tariff but will be set at a level that is at least equal to the relevant incremental costs for the requested service. Such price will also be available for similarly situated Customers. Appropriate cost support will be submitted to the PUCO if required.
- 5.2.3** An individual contract billing arrangement price quote will be offered to the Customer for acceptance in writing. Such individual contract billing arrangements will specify, among other things, the length of service, minimum volume of service required, and the rates and charges for the proposed service.
- 5.2.4** Individual contract basis arrangements will be provided to customers in accordance with contracts on file with and approved by the PUCO.
