PETITION FOR A REALLOCATION OF TERRITORY

Submit four (4) copies of petition and associated boundary maps and/or overlap sheets indicating proposed

Electric Supplier: COLUMBUS SOUTHERN POWER COMPANY

Address: 1 Riverside Plaza, Columbus, OH 43215-2372

Location of Reallocation:

PUCO Map No.: M-18

Effective Dates: CSP, 6/03/81

County: Licking

Licking Rural Electric, 6/03/81

Township: Monroe

Reason for Reallocation: Due to a proposed new subdivision (Leafy Dell) straddling the existing boundary line, the boundary line needs to be changed so as to provide a better underground service plan by the electric suppliers than would result from the existing boundary line, which segments many of the subdivision's lots; and to lessen the potential for confusion on the part of both the customers and the suppliers by minimizing the occurrences of adjacent homes being served by different suppliers.

Description of Reallocation: Starting at the intersection of County Road 3 and the existing boundary line, proceed 392 feet N71°E to the centerline of Eagle's Nest Ave., then NE along the centerline of Eagle's Nest Ave. to intersection of Eagle's Nest and Oakridge Dr., then NE along the centerline of Oakridge Dr. to intersection of Oakridge Dr. and Blueberry Hill Rd., then NE along the centerline of Blueberry Hill Rd. 1320 feet until intersecting with the east property line of the Leafy Dell development, then NE 150 feet along the east property line of lot 112 until intersecting with the existing PUCO boundary line.

Note: all measurements given are approximate.

Are affected customers aware of and in agreement with the proposed reallocation? Yes

If no, explain:
