Smart Savings Usage Promotion

A retail promotional period will be established from December 16, 2002 through May 31, 2003. During this promotional period, eligible business customers who make a commitment to spend \$5.50 monthly in toll usage for the next 12-month period will be eligible for discounts on local usage and toll and for 3 months of network access line service savings.

Eligible customers are those business customers with 1 to 10 business lines who have their intraLATA toll and local network access line(s) with another competitive local exchange carrier within the SBC Ameritech Ohio service area, who now wish to establish their intraLATA toll and local network access line service with Ameritech, and who have refused a previous offer from SBC Ameritech Ohio.

Eligible customers must agree to a 12-month term and commit to \$5.50 in monthly toll usage. Those customers who make this commitment will receive Local and Toll usage and monthly Business network access line service at no charge for the initial 3 months of the 12-month term period. In addition, customers will receive a 50% discount on local usage and a toll rate of \$0.045/minute for the remaining 9 months of the 12-month term period.

This offer may not be combined with other SBC Ameritech Ohio business usage discount plans or promotions.

Customers who do not meet the \$5.50 monthly toll commitment over the final 9 months of the 12-month term period will be billed the shortfall. Customers who terminate their term agreement prior to completion of the 12-month term period will be billed a lump sum of \$200 at the time of termination.
