Re: Application of Rapid Transmit Technology, Inc. - AMENDED FILING - Case No. 99-890-TP-ATA, (90-9085-TP-TRF)

Dear Ms. Crockton:

Rapid Transmit Technology, Inc. ("RTT"), has submitted a Request for a Waiver of USOA Accounting Requirements, as part of its certification application with the Public Utilities Commission of Ohio, in Case No. 99-890-TP-ACE. Pursuant to this waiver request, RTT agrees to maintain a translation matrix which will map the conversion of RTT's account numbering scheme and description of accounts into USOA's account numbering scheme and description of accounts. RTT will make this matrix available to the Commission upon request. Said matrix will be included in its submission of financial information to the Commission (i.e. P.U.C.O. annual financial report).

Please date stamp the enclosed extra copy of this letter and return it in the self addressed stamped envelope provided. Questions regarding this filing may be directed either to Mr. Aaron Kurdle of Technologies Management, Inc. (407) 740-8575, or to me. Thank you for your attention to this matter.

Respectfully Submitted,

John S. Ramsey
