TARIFF DIVISION  
Public Utilities Commission of OhioRE: The East Ohio Gas Company - Case No. 89-8006-GA-TRF  
and Case No. 99-145-GA-PIP

Dear Mr. Hengely:

The East Ohio Gas Company submits herewith four copies of the following revisions and updates to its tariff book :

One Hundred Sixty- Eighth Revised Sheet No. H1, superseding  
One Hundred Sixty-Seventh Revised Sheet No. H1

This revision is due to a change in the gas cost recovery rate. The gas cost recovery rate effective May 12, 1999 will be \$3.398 per Mcf. This differs from the previous East Ohio gas cost recovery rate of \$3.281 per Mcf by \$0.117 per Mcf, and therefore represents an increase in rates of \$0.117 per Mcf.

Seventh Revised Sheet No. L1 superseding  
Sixth Revised Sheet No. L1

This revision is due to a change in the Interim Emergency and Temporary PIP Plan Rider Rate. The PIP Rider Rate effective May 12, 1999 will be \$0.111 per Mcf in all of East Ohio's territory, including West Ohio Division.

Please insert the enclosed sheets into your copy of the Company's tariff book and destroy the superseded sheets. Please contact me at (216) 736-6333 if you have any questions.

Very truly yours,

*Carolyn E. Tyson*Carolyn E. Tyson  
Rate Analyst
