Ohio Power Siting Board  
Public Utilities Commission of Ohio  
Borden Bldg., 12th floor  
180 East Broad Street  
Columbus, OH 43266-0573

Dear Chairman Glazer:

**Gilchrist-South Akron Tap to Clayben Sub  
Case No. 95-441-EL-BLN**

In Ms. K. Wissman's letter dated June 13, 1995 Ohio Edison was notified that the subject project properly qualified for a Letter of Notification. Ohio Edison was also requested to provide the Board with the planned date of initial construction at least seven days prior such date. The construction for the distribution substation portion of the project is scheduled for early November 1995. The transmission line construction is scheduled for April 1996 to coincide with the targeted in-service of May 1996.

Very truly yours,

T. C. Burgess  
General Power Siting Engineer
