RE: Case No. 96-899-TP-ALT
Case No. 90-5013-TP-TRF
Case No. 99-1496-TP-UNC

Dear Ms. Crockron:

On April 3, 2002 Cincinnati Bell Telephone Company (CBT) filed applications to revise its **Out of Territory Services Tariff PUCO No. 1** in order to conduct two promotions. The first promotion offered business customers the opportunity to purchase a bundle of business services at a rate that is less than if the services were purchased individually. The second promotion offered business customers a waiver of the nonrecurring charges associated with the purchase of specific business services as listed in the promotion. Both of these promotions were scheduled to end September 30, 2002.

With this filing CBT is requesting permission to **revise the ending dates of these two business promotions to December 31, 2002 and to clarify the parameters of one of the promotions.** All other terms and conditions relating to these promotions, which were established with the April 3, 2002 filings, will continue to apply. Enclosed are the original and three copies of the revised promotional tariffs.

Any questions regarding this transmittal should be directed to me at 513-397-1296.

Please date-stamp and return the enclosed duplicates of this transmittal to acknowledge receipt.

Sincerely,

Kathy Reid
