THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Joint Petition of)
Ohio Power Company and Ohio Edison) Case No. 98-952-EL-PEB
Company, Requesting Revision to a)
Territorial Boundary Map.)

ENTRY

The Commission finds:

- (1) On July 17, 1998, Ohio Power Company and Ohio Edison Company (the Companies) jointly filed a petition in the above captioned proceeding for authority to reallocate their service territories in Madison Township, Columbiana County.
- (2) The Commission issued an Entry on August 13, 1998 approving the revision to quadrangle Map I-34.
- (3) On December 4, 1998, the companies filed a request for correction stating that they have discovered that there was an error in their petition. In the second line of the "Description of Reallocation" paragraph, the measurement 1,500 feet should have been 400 feet. The change on the boundary Map itself was drawn correctly and no revision is required. The companies respectfully request that the Commission approve their request for correction of the property description.
- (4) The request is reasonable and should be granted.

It is, therefore,

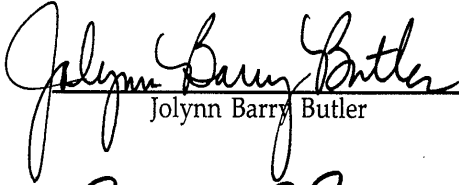

ORDERED, That the Companies' request for correction of the property description in this case is granted. It is, further,

ORDERED, That a copy of this Entry be served upon each party of record.

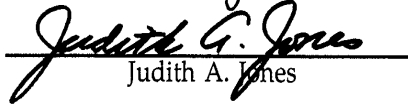

This is to certify that the images appearing are an
accurate and complete reproduction of a case file
document delivered in the regular course of business.
