PROPOSED TARIFF SCHEDULE

RIDER SBS, OPTIONAL SUMMARY BILLING SERVICE PILOT (ELECTRIC)

**RIDER SBS
OPTIONAL SUMMARY BILLING SERVICE PILOT**

(N)

APPLICABILITY

Applicable to non-residential jurisdictional customers having multiple electric and/or gas accounts with the Company, and who request that the billings for such accounts be summarized on a single statement. Summary Billing provides customers the convenience of receiving and paying one billing statement for their gas and electric utility accounts. The Company and customer shall enter into a service agreement specifying the applicable terms and conditions under which customer agrees to accept Summary Billing. The service agreement shall also identify the individual electric and gas accounts to be included in the Summary Bill, as agreed to by the Company and the customer.

SUMMARY BILLING STATEMENT

The Company will render one Summary Billing Statement each month that will summarize the customer's accounts. Additionally, customers may elect to receive a report that provides details of the associated accounts. Individual detail statements will not be provided, however, customers may elect to access detailed billing information regarding their accounts electronically.

SUMMARY BILL DUE DATE

The amount shown as owed on the Summary Billing Statement shall be due by the Summary Billing due date. The Company shall derive the due date by applying Generally Accepted Accounting Principles and incorporating the Time Value of Money. The Company will review this date in conjunction with any major changes to the Summary Billing Account, i.e., the removal or addition of accounts. Customers agree to waive their rights to the normal grace period between the rendering of the Summary Billing Statement and the due date, as specified in this Tariff. The period of time covered by the Summary Billing Statement shall be a uniform time period as agreed to by the parties prior to billing. The Company reserves the right to modify said period after proper notification to the customer.

APPLICATION OF PAYMENT

Payment to the Company in full amount shall satisfy the bill rendered for services and all underlying accounts.

Payment will be considered delinquent if not received by the Company on or before the established Summary Bill due date. After an account becomes sixty (60) days past due, the summary billing agreement may be terminated without further notice.

Underpayments will be used to satisfy the oldest utility balance due first, based on billing date. These payments will then be paid out on the priority order established by the Company. Overpayments will reside on the master account, and be applied to the next billing.

BILLING ERRORS

Customers shall agree to pay the amount of the "summary total" indicated on the Summary Billing Statement. Adjustments to correct any billing errors will be made by the Company to the detail accounts and will be reflected in the following month's summary total.

LATE PAYMENT CHARGE

Payment of the total amount due must be received in the Company's office by the due date shown on the bill. When not so paid, an additional amount equal to one and one-half percent (1.5%) of the unpaid balance is due and payable. The late payment charge is not applicable to unpaid account balances for services received from a Certified Supplier.

BILL INSERTS AND NOTICES

The Company will meet all statutory and regulatory requirements regarding bill inserts and notices by mailing a copy of such information to only the Summary Account.

ADDITIONAL TERMS AND CONDITIONS

There is no additional charge for Summary Billing Services.

Customers wishing to access their detail bills electronically should call the telephone number shown on their summary bill to receive confidential access to their billing information.

The customer may cancel summary billing for any reason upon thirty (30) days written notification to the Company. In the event of termination, the covered accounts will return to the normal billing and collection procedures of the Company.

Due to the timing of receipt of "bill ready" information from Certified Suppliers, customers choosing a Certified Supplier who elects to provide "bill ready" information to the Company for their energy needs will not be eligible for summary billing under this tariff schedule.

SERVICE REGULATIONS

The supplying of, and billing for, service and all conditions applying thereto, are subject to the jurisdiction of the Public Utilities Commission of Ohio, and to Company's Service Regulations currently in effect, as filed with the Public Utilities Commission of Ohio.

(a) Description of New Service

The Cincinnati Gas & Electric Company (CG&E) proposes to modify its application to implement electric Rider SBS, Optional Summary Billing Service Pilot, Sheet No. 97.

As a result of discussions between the Company and Commission Staff, the Company desires to change the last section of the SUMMARY BILLING STATEMENT section to read, "Individual detail statements will not be provided, however, customers may elect to access detailed billing information regarding their accounts electronically."

The Company also wants to add the following sentences to the ADDITIONAL TERMS AND CONDITIONS section:

"Customers wishing to access their detail bills electronically should call the telephone number shown on their summary bill to receive confidential access to their billing information."

"Due to the timing of receipt of "bill ready" information from Certified Suppliers, customers choosing a Certified Supplier who elects to provide "bill ready" information to the Company for their energy needs will not be eligible for summary billing under this tariff schedule."

The purpose of these changes is to make customers aware that they can electronically access detailed billing information, and to clarify the ineligibility of "bill ready" accounts for summary billing under Rider SBS.
