OFFICER'S CERTIFICATE
(PHASE III – 16 MW)**

September 1, 2009

The undersigned, being the duly appointed and acting Vice President of North Allegheny Wind, LLC, a Delaware limited liability company (“Seller”), is executing and delivering this Officer’s Certificate (this “Certificate”) as of the date written above to FirstEnergy Solutions Corp., an Ohio corporation (“Buyer”), pursuant to that certain Wind Power Purchase Agreement by and between Seller and Buyer dated September 18, 2006, as amended by the First Amendment dated July 8, 2008, and the Second Amendment dated January 1, 2009 (as so amended, the “Phase III Agreement”). All capitalized terms used in this Certificate and not otherwise defined herein shall have the respective meanings ascribed to them in the Phase III Agreement.

The undersigned, acting for and on behalf of Seller, hereby certifies he is familiar with the Facility and further certifies to Seller the following:

- 1) all Conditions have been met, and the Commercial Operation Date under the Phase III Agreement is September 1, 2009;
- 2) 100% of the Wind Turbines have been physically interconnected to the Interconnection Provider’s System in accordance with the Interconnection Agreement;
- 3) such Wind Turbines and the Electric Metering Devices are fully operational for the purposes for which they will be used under the Phase III Agreement;
- 4) such Wind Turbines have been successfully tested in accordance with applicable manufacturers’ requirements;
- 5) based solely on my review of the attached certificate, such Wind Turbines are currently capable (with sufficient wind speed) of generating Renewable Energy at a rate equal to the nameplate rating stated in the attached certificate;
- 6) such Wind Turbines are legally and operationally ready to generate Renewable Energy and related Environmental Credits to be sold to Buyer under the Phase III Agreement, as reasonably determined by Seller consistent with Good Utility Practice; and
- 7) Seller meets the Seller’s Credit Requirements.
