Re: *Duke Energy Ohio, Inc.'s Application for Audit of Rider SCR, Rider RE, Rider RC, Rider LFA and Rider ECF* Case No. 18-0046-EL-RDR

Dear Ms. McNeal:

On January 31, 2018, Duke Energy Ohio, Inc. (Duke Energy Ohio or Company) made application to the Commission for a request for the Staff's audit of specific riders, including Attachments A through D-2. A Motion for Protective Order was also tendered with the application.

When the filing was made at the Commission Docketing office, the Attachment A, Attachments B and Attachment D-1 and D-2 were inadvertently filed as attachments to the Motion for Protective Order but should have been filed as attachments to the Application.

This letter filing is meant to clarify that confidential treatment is only being requested for Attachment A and not for the remainder of the Attachments; Attachments B, Attachment D-1 and Attachment D-2.

Please contact me with questions.

Sincerely,

/s/ Elizabeth H. Watts
