Re: PUCO Case. No. 18-1455-GA-BNR, Station 854 Natural Gas Regulator Station Installation Project

Dear Ms. McNeal:

Duke Energy Ohio, Inc., the applicant in the above-referenced proceeding, has determined that the subject construction project is not jurisdictional. The length of pipeline to be constructed that is more than nine inches in outside diameter and is designed for transporting gas at a maximum allowable operating pressure in excess of one hundred twenty-five pounds per square inch is less than five hundred feet.

Therefore, Duke Energy Ohio respectfully seeks to withdraw its application in this case.

Respectfully submitted,
