Re: In the Matter of the Application of Duke Energy Ohio, Inc., for a Letter of Notification for
the F9787 Line GLT Realignment Project
PUCO Case No. 20-1610-EL-BLN

Dear Ms. Troupe:

Duke Energy Ohio, Inc., (Duke Energy Ohio) is filing this Pre-Application Notification Letter in accordance with O.A.C. 4906-6-03(A).

Duke Energy Ohio proposes to replace and realign a 1,461-foot (0.27 mi) section of the F9787 Electric Transmission Line with 1,122 feet of electric transmission line, located in Colerain Township, Hamilton County, Ohio as a part of the Circuit F9787 Line GLT Project. The realignment will include the replacement and relocation of deficient wood pole structures with the installation of five direct embed steel structures and the installation of new conductor. The project consists of replacing of three wood pole structures, relocating one wood pole structure, removing two wood pole structures, removing transmission line from a wood pole with distribution underbuild and the installing one new structure. Approximately 0.21 miles (1,122 feet) of new conductor will be installed along Circuit F9787 adjacent to I-275.

Construction is scheduled for March 2021 – December 2021, pending approval of this Letter of Notification.

Sincerely,

/s/ Jeanne W. Kingery
