Re: Notice of Intent to Provide Service

Dear Sir/Madame:

According to Ohio Rule 4901: 1-6-24, Wireless Service Provisions, a company must notify the Ohio Department of Taxation, Public Utilities Tax Division, of its intent to provide service. Access Point, Inc. hereby notifies the Department of its intent to provide Commercial Mobile Radio Service as a reseller of AT&T and Verizon services.

This will be in addition to the telecommunication services Access Point is already certified to provide through Case No. 08-609-TP-ACE, Certificate No. 90-9357.

Access Point, Inc. has submitted the Telecommunications Filing Form to register as a Radio Common Carrier (RCC) through the electronic filing system on June 27, 2014.

For all tax related communication, please contact one of the following persons:
