12-1535-EL-EEC

Affidavit of John C. Dargie – Exhibit 3

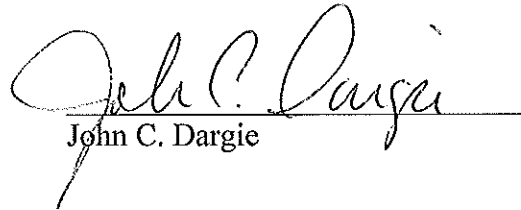

STATE OF OHIO            )  
                                  )        SS:  
COUNTY OF SUMMIT     )

I, JOHN C. DARGIE, being first duly sworn in accordance with law, deposes and states as follows:

1. I am the Vice President of Energy Efficiency for FirstEnergy Service Company. As part of my duties, I am responsible for ensuring that Ohio Edison Company (“Ohio Edison”), The Cleveland Electric Illuminating Company (“CEI”) and The Toledo Edison Company (“Toledo Edison”) (collectively, “Companies”) comply with energy efficiency (“EE”) and peak demand reduction (“PDR”) requirements imposed at either the federal or state level.
2. I have personal knowledge of the information and matters set forth herein, and offer this affidavit pursuant to Section 4901:1-39-05(C)(1)(c) of the Ohio Administrative Code.
3. Each of the Companies achieved the EE and PDR results as set forth in the Companies’ 2011 Portfolio Status Report (“Report”) being filed in the above-referenced dockets.
4. As indicated in the Report, each of the Companies achieved all EE and PDR statutory requirements for 2011, with the exception of Ohio Edison, who achieved its incremental 2011 EE target, but not its cumulative 2011 EE Target. However, Ohio Edison made a

significant contribution towards achieving its cumulative EE targets consistent with the directive set forth in the Commission's March 23, 2011 Finding and Order in Case No. 09-1947-EL-POR et al<sup>1</sup> and the Commission's May 19, 2011 Finding and Order in Case No. 11-126-EL-EEC et al, in which the Commission granted the Companies' request for an amendment to their 2010 energy efficiency benchmarks.<sup>2</sup>

FURTHER AFFIANT SAYETH NAUGHT.

  
John C. Dargie
