

Duke Energy Ohio
Case No. 19-1471-EL-BNR
Staff sECOND Set of Data Requests
Date Received: October 25, 2019
STAFF-DR-02-009

REQUEST:

The application states Duke Energy Ohio is required to submit to the Federal Aviation Administration (FAA) and Ohio Department of Transportation for the Project to review the structures to verify there is not an impact to navigable airspace. Please provide a copy of the submission made to the FAA and ODOT, and any findings issued by the FAA and ODOT.

RESPONSE:

Duke Energy Ohio checked for the need for an FAA permit on 8/8/2019, which is done on their website, and learned that no permit is required but a post-construction notification will be needed. No ODOT permitting was required.
