

Petition for Reallocation of Electric Certified Territory

Please describe the proposed reallocation below and attach any supporting documentation. Obtain signatures from each electric supplier prior to filing the petition. PUCO staff is available to review a draft petition prior to filing. Additional information about how to complete this form is available on the PUCO website.

Reason for Reallocation

Customer would like to go away from primary metering and Duke Energy Ohio, Inc. would need to go new route (Exhibit A). The cost to the customer is around \$25,000 and customer would like to check with Butler Rural on its cost as the pump house facility is right on the Duke Energy Ohio, Inc. service territory boundary line. Please see attached request from customer.

Detailed Description of Reallocation

Include county or counties of proposed reallocation. Also include address, parcel number, and/or intersection of the affected load center(s). Attach maps and/or drawings of the proposed reallocation, including locations of any distribution lines to be built as a result of the reallocation. Also, please provide the full street address of the electric load centers of any overlap customers created by the proposed reallocation.

This reallocation request is in Preble County. Please see attached Exhibit A for the maps of this request.

Notification of Affected Customers

Are all affected customers in agreement with the proposed reallocation? For the purposes of this question, affected customers are the owners of electric load centers for which the current electric service provider would change as a result of the reallocation.

[REDACTED],

The Village of College Corner is requesting Duke Energy of Ohio to permit Butler Rural Electric Cooperative, Inc. to serve the village's pump house located on Stateline Road, College Corner, Ohio as an overlap customer or release the territory to Butler Rural Electric Cooperative, Inc., whichever can be approved by Duke Energy of Ohio at the earliest possible time.

[REDACTED], I want to thank you for resolving the issue of getting electric service to the pump house on Stateline Road for the Village of College Corner and its residents. I look forward to working with you again in the future.
