
SECTION 6 – RULES AND REGULATIONS – INTEREXCHANGE SERVICES

6.1 Billing and Payment for Service (1)

6.1.1 Late Payment Fees

The Company reserves the right to assess a one-time late payment fee of 1.5% per month on any past due balance. The late payment charge will not be applied to previous late payment charges that have been assessed but not yet been paid for, but will apply to the accumulated services for which the customer is in arrears. Late payment charges will be applied without discrimination.

6.1.2 Returned Check Charge

The Company will charge \$25 for each check returned for insufficient funds. This (N) charge may be waived under appropriate circumstances.

6.1.3 Deposits

Navigator does not customarily collect deposits from customers. However, cash deposits may be required from a prospective customer, a presently disconnected customer, or a former customer for the purpose of guaranteeing final payment for service when, in Navigator's judgment, such deposit is necessary. Such deposit could be deemed necessary if, for example, the customer's creditworthiness cannot be established. If a deposit is requested, it may not exceed the estimated charges for two months tariffed services plus 30 percent of the monthly estimated charge for a specified customer.

Deposits held for less than 180 days shall not accrue interest. Interest on intrastate deposits held for 180 days or longer will be handled in accordance with 4901:1-17-05 O.A.C.

(1) Late Payment Fees, Returned Check Charge, and Deposits were originally shown in Sections 6.7.5, 6.7.6, and 6.8 of Navigator's previously approved tariff.
