Opt – Out Notice

Electric Program

July __, 2023

DRAFT

Dear _____ Resident/Small Commercial Customer,

Miami Valley Communications Council (MVCC) is providing you the opportunity to join other residents to save money on the electricity you use. Savings are possible through aggregation, where your community officials bring together citizens to gain group buying power for the purchase of electricity from a retail electric generation provider certified by the Public Utilities Commission of Ohio. Your community voters approved this program in May 2003 and November 2022.

After researching competitive electricity pricing options for you, _____ has chosen _____ to provide you with electric generation through _____. There is no cost for enrollment and you will not be charged a switching fee. You do not need to do anything to participate.

As a member of this aggregation, your electricity supplies will be priced at _\$X.XX or approximately _____ below your Price to Compare. Your Price to Compare is essentially the price you pay for electric generation from the utility and consists of generation and transmission related components, which are the costs associated with generating the power and delivering it through the transmission system.

You will see your electric savings after your enrollment has been completed and your switch has been finalized – approximately 30 - 45 days, depending upon your meter read date. Of course, you are not obligated to participate in the MVCC electric aggregation program. If you wish to be excluded from the program and remain a full-service customer of your local electric utility – _____ – you have until _____ **assigned opt-out deadline date** _____ to return the attached “opt-out” form. If you do not opt out at this time, you will receive a notice at least every three years asking if you wish to remain in the program. You can leave the program at any time.

After you become a participant in this aggregation program, your local electric distribution utility will send you a notice confirming your selection of _____ as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with _____ within seven days of its postmark. To remain in MVCC’s electric aggregation program, you don’t need to take any action when this letter arrives.

Your local electric distribution utility will continue to maintain the system that delivers power to your home or business – no new poles or wires will be built by _____. You will continue to receive a single, easy-to-read bill from your local electric utility that includes with your _____ charges included. The only thing you’ll notice is savings.

If you have any questions, please call _____ toll-free at 1-866-XXX-XXXX, Monday through Friday, 8 a.m. to 5 p.m.

Sincerely,

Miami Valley Communications Council
