**Letter of Notification
Morgan Transmission Line Separation Project**

Dear Ms. Hughes:

Please find below a link to an electronic copy of a Letter of Notification that Duke Energy Ohio, Inc., (Duke Energy Ohio) has filed with the Ohio Power Siting Board regarding its proposed project to separate the F1689 and F5783 circuits and relocate the F5783 circuit to a new transmission corridor north of the existing double-circuit corridor, from the Morgan Substation, located in Whitewater Township within Hamilton County, Ohio. The relocation equipment includes seven self-supporting engineered steel poles, along with approximately 1.14 miles (6,000 feet) of new transmission line conductor. The project also includes work on steel lattice towers to the east of the Morgan Substation. Vegetation clearing for the new right-of-way is scheduled for January 2021 – March 2021.

In accordance with O.A.C. 4906-1-01 Appendix A, we are required to prepare this Letter of Notification for the Ohio Power Siting Board and, in compliance with O.A.C. 4906-6-07, we are hereby providing you with a link to an electronic copy.

A copy of the application is available at the main office of Duke Energy Ohio at 139 E.
