Dear Secretary McCauley:

Re: Cleveland Thermal, LLC, PUCO Case No. 11-2371-HT-RDR
Weighted Average Cost of Fuel

Under the fuel adjustment rider contained within our tariffs (P.U.C.O. No. 1, Original Sheet No. 17), Cleveland Thermal, LLC is to ascertain its weighted average cost of fuel burned for central steam service for each month and is to file such information monthly with the Public Utilities Commission of Ohio. Please find enclosed the calculations showing the weighted average cost of fuel burned for the month of **November 2011**.

This filing should not be interpreted as an amendment to our tariffs, but rather is the submission of information in compliance with the requirement of P.U.C.O. No. 1, Original Sheet No. 16 of our steam service tariffs.

Thank you for your cooperation in this matter. Please feel free to call me at 216-241-3636 with any questions.

Sincerely,

CLEVELAND THERMAL, LLC
