**IMPORTANT NOTICE FROM FRONTIER COMMUNICATIONS
REGARDING DETERMINING OF LONG DISTANCE SERVICES**

March 1, 2008

Dear Frontier Customer:

Beginning on April 1, 2008, the prices, service descriptions, and the terms and conditions for long distance services that you are provided by Frontier Communications will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of these services to which you currently subscribe. Frontier Communications must still provide a customer notices at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services.

Additionally, you will be able to view the company's future service offerings in a catalog online at www.frontieronline.com or you can request a copy of this information by contacting (the telephone company at the following address:

Frontier Communications or call toll free 1-800-545-0710
109 Randolph Street
Brocklyn, MI 49230

Since long distance services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, term and conditions. If you have any questions about this matter, please call Frontier Communications at the toll free number 1-800-545-0710 or visit us online at www.frontieronline.com.

Under our convenient auto-renewal option, your current term agreement for your Bundle service will automatically renew effective 08/09/08.

Contact customer-service-for-current-rate-which-may-change-before-you auto renew. If you wish to cancel your auto-renewal, please call Frontier Customer Service at the number on your invoice at least 30 days prior to your renewal date above.

next month, organize your charges in ways that are easier to follow, especially on the front page of your bill. Based on customer input, we have kept most of the billing categories on detail pages of your invoices organized in ways our business customers have come to expect.

Frontier wants to thank the many customers that have worked with us, both formally and informally, to make these changes.

Welcome to the New Frontier!
