RE: Case Nos. 06-501-EL-FOR

In accordance with Staff's request, Ohio Power Company is filing revised Forms FE4 - D1 and D4. These revised forms reflect the removal of certain industrial retail load from the historic years 2001 - 2005. That load was associated with electricity delivered in Ohio Power Company's service territory but consumed by facilities outside of Ohio.

Very truly yours,

Marvin I. Resnik
