Re: Notice of preliminary Determination  
Case # OH3225300479C  
Officer: WW

06-1351-TR-CVF

Dear Sir or Madam:

Please find enclosed the notice of preliminary determination that we have received from the State of OH in regards to a violation for loose/ unfastened tie down one of my drivers (William Payne) has been accused of.

We have had a conference via phone and the officer still thought the charge was a valid one. We are now going to the next step which is filling a request for administrative hearing.

I would also request to have the inspecting officer's notes to review for this charge as well. The information I am getting from my driver and the information I believe your inspecting officer is stating are quite different and a copy of his notes from the actual inspection would be helpful to me.

I will await yor direction on how to proceed with this matter from here. Any further correspondence can be sent to me at the address below. Should you need anything further, please do not hesitate to contact me at your convenience.

Sincerely,

Denise Miller
