Sir,
You are about to consider
PUCO
a raise in rates for the American
Water. I would like to voice
my objection. We have lived
in their monopoly for 26 years.
The water quality has improved
about 5% in that time, and
yet you give rate increases. We
have to buy water for coffee & tea.
Our bill for 2 old people is 47.00 per
month. Someday PUCO will be
elected & not appointed.
